EDENHOPE & DISTRICT MEMORIAL HOSPITAL

Barkala Flats

The Barkala Flats are independent living units, which are owned and managed by the Edenhope & District Memorial Hospital.

EDMH took over management of the Barkala Flats in 2001 from the community group that had built the units in Elizabeth street and Edinburgh road. Through the Barkala Flats many older community members have been able to find affordable housing within Edenhope, staying in the community that they know so well.

Each flat comprises of a lounge with curtained bedroom area, kitchen and bathroom with laundry facilities within the closed-in rear porch area.

Each flat has its own front garden and there are some under cover areas for parking of vehicles.

All flats are suitable for people with disabilities and any modifications which need to be made can be undertaken by the hospital maintenance staff.

How to find the Barkala Flats

The Flats are located across the road from the local Hospital in Elizabeth street, Mollison street and Edinburgh road

Eligibility

People eligible to live in Barkala Flats are those who are aged and/or disabled, with preference being given to people who have lived in the Edenhope area. Although receiving a social security benefit is not a requirement to live in Barkala Flats, preference will be given to those people who are receiving Government benefits.

Written application must be made using a 'Barkala Flats' application form available from the hospital administration office.

About Edenhope

The town has a 20 Bed Hospital with High and Low Residential Care and also a Medical Clinic.

There are a number of sporting and recreational clubs including: an 18 hole golf course, Lawn Bowling, Football, Netball, Tennis, Lions and RSL..

A well attended adult activity centre is located at the Elsie Bennett Community Centre adjacent to the Hospital.

A senior citizens organisation and meeting place is located in Langford Street.

Additional services are available via the relevant community organisations, including, Community Care, Home Help, Meals on Wheels and District Nursing.
